

# About This Portfolio

Welcome to the ACOM360 student portfolio template. Replace this introduction with a brief description of your interests, creative goals, and the work you want to highlight.

Use this paragraph to describe your skills, your role in selected projects, and what you learned. Keep the information professional and avoid publishing private contact details.

## Digital Avatar

Example project: describe the tools, creative process, and your contributions here. The original image is retained for this template.

# AI-Powered Documentaries

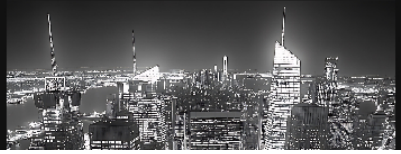

### The Rational Illusion

Sample project description. Replace with your project credits, production tools, and creative contributions.

### Course Introduction

Sample project description. Explain the concept, production process, and tools used.

### Self Introduction

Sample project description. Explain the concept, production process, and tools used.

# Campaign Teasers

### World News Day

This teaser kicks off our participation in World News Day 2026, a global celebration of fact-based journalism, now in its 8th year.

### Local News Heroes

This is a social media campaign in response to the Local News Crisis. Students produced a series of five 30-second short videos in collaboration with local news outlets in Albany.

### Dialogue 360

This is a student-led interview series where we sit down with professors, students, and educators to explore the big questions shaping university life today.

# Commercial Showcase

### Deep Blue Center

U-shaped screen ultrawide video sample, Qingdao (for educational use only). Concept: Landmark Strategy — German planning DNA × Chinese context.

### Xiamen Cadaqués

Dali-Inspired Seaside Community, Xiamen (for educational use only). Concept: Merging surrealism (dream, time, sea motifs) with Spanish-style real estate marketing.

### Lavie Town

Nostalgic Film Creative Cluster, Qingdao (for educational use only). Concept: A living archive of 20th-century cinema languages, where art deco façades meet digital content hubs.

# Poster Showcase I

### Death of Ji Kang

A Contemporary Dance Theater Performance (2008, Shenzhen OCT)

### Prose China (1)

Shenzhen Book Fair Poster 1 (2009, Shenzhen)

### Prose China (2)

Shenzhen Book Fair Poster 2 (2009, Shenzhen)
